

HIGH HILLS ELEMENTARY SCHOOL

Grades: 4th - 5th
School Colors: Yellow and Black
School Mascot: Panther
School Theme: "A School That Works"
Enrollment: 504
Average Class Size: 25

Brief Summary of Instructional Program

High Hills Elementary School strives to develop the whole child through exceptional academic, social and emotional experiences. Our student population is made up of military dependents from the nearby Shaw Air Force Base, US Army Central Command, and students from the surrounding rural communities. We have a highly transient population; however, our school and district personnel, parents, community members and students work effectively together to create a positive and inviting learning environment. High Hills has a strong parent-volunteer support system that we continue to foster and appreciate. Many local businesses have contributed to and partnered with the school's programs.

High Hills Elementary School continues to provide a quality education program, which includes world class skills and life and career characteristics

needed to graduate and become responsible and productive citizens. Our goal is to create a lifelong community of learners through strong academics and meaningful extra-curricular activities.
