FOR IMMEDIATE RELEASE.....

High Hills Elementary School State Testing Plan

March 19, 2018

The Education Accountability Act (EAA), Title 59, chapter 18 mandates a performance-based accountability system for public education. At High Hills, this means that all students must be assessed with the SC READY (ELA and Math) and the SCPASS (Science and Social Studies) unless they have an IEP designating they will take the SC-NCSC and SC-ALT alternative assessments.

Testing Administration Schedule

May 10th – SCPASS Social Studies (5th Grade)

May 23nd – SCREADY ELA 2 (4th Grade)

May 11th -- SCPASS Science (4th Grade)

May 24th – SCREADY Math (4th Grade)

May 17th – SCREADY ELA 1 (5th Grade)

May 30th – SCREADY Math (5th Grade)

May 18th – SCREADY ELA 2 (5th Grade)

Goal is to have all SCREADY and SCPASS Make-up Administrations completed by May 31st.

May 22nd – SCREADY ELA 1 (4th Grade)

All students enrolling in school May 10th – June 1st will be required to participate in the testing program.

It is imperative that students are at school on time on testing days. Testing will begin each day **no later than 8:00**. Students who arrive tardy to school may not be able to test in the regular testing session. They will have to wait to enter the room until all students have completed testing. The tests are not timed but students must complete each session of the test on the same day they begin the session.

“During testing, students may not be in possession of any electronic or other device that can be used for communicating, timing, creating images, or storing images. These devices include, but are not limited to, cell phones, media players, electronic readers, headphones, stop watches, electronic translators, hand-held devices, or any electronic imaging or photographic devices.” (Exceptions to this would be documented devices required for accommodation plans.)
