## 4th GRADE WEEK AT A GLANCE

Week of Oct. 23-27

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this document to ask your child questions concerning the skills that are being addressed throughout the week.

	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Language Arts</b>	Students will finish narrative writing. Students finish reading <u>Because of Winn-Dixie</u> . Students will recognize character traits and how to locate evidence to support those traits and point of view. Students will understand the difference between similes, metaphors, and idioms.				
<b>Social Studies</b>	Students will demonstrate an understanding of how the settlement of North America was influenced by the interactions of Native Americans, Europeans, and Africans. Students will demonstrate an understanding of the conflict between the American colonies and England.				
<b>Math</b>	Students will be able to interpret a multiplication equation as a comparison. They should be able to identify and verbalize which quantity is being multiplied and which number tells how many times. Represent verbal statements of multiplicative comparisons as multiplication equations. They will also be able to solve real-world problems using multiplication.				
<b>Science</b>	Students will learn how meteorologists use weather maps, satellites and radar systems to track weather and climate.
