

High Hills Elementary

4th GRADE WEEK AT A GLANCE

Week of September 4-September 8, 2017

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	Students will be doing guided reading assessments and "What it Means to be a Panther" essays. They will also work on how to choose the right book, independent reading, identifying fiction and nonfiction, using the classroom library, reviewing, and reading comprehension.				
Social Studies	Students will continue to work on summarizing the spread of Native American populations using the Landbridge Theory.				
Math	Students will continue to learn and review procedures, routines and expectations for both classroom and school. They will read and write numbers in all forms up to 999,999.				
Science	Students will continue to review procedures, routines and expectations for both classroom and school. They will demonstrate an understanding of the water cycle, weather and climate patterns.
