

High Hills Elementary

4th GRADE WEEK AT A GLANCE

Week of September 18-22

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	Students will be doing guided reading assessments. Students will continue to practice reading comprehension skills and demonstrate knowledge of various sentence types and structures. Students will celebrate Constitution Week with activities on Friday.				
Social Studies	Compare the everyday life, physical environment, and culture of the major Native American cultural groupings, including the Eastern Woodlands, the Plains, the Southwest, the Great Basin, and the Pacific Northwest.				
Math	The student will be able to compare and order multiple digit numbers. They will also use rounding as one form of estimation and round whole numbers to any given place value.				
Science	The student will demonstrate an understanding of the water cycle and weather and climate patterns.
