

High Hills Elementary
4th GRADE WEEK AT A GLANCE

Week of April 9-April 13

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

| Subject | Monday | Tuesday | Wednesday | Thursday | Friday |
|---|--|---------|---|----------|--------|
| Language Arts | <p>ELA: Students will begin reading <i>Lemonade War</i> by Jacqueline Davies. Students will employ past learning to monitor and assess current learning through review activities in preparation for testing. Students will continue to develop skills necessary for text-dependent-analysis writing and evidence based responses.</p> | | | | |
| Social Studies | <p>Social Studies: Students will explain the events and issues that led to the Civil War, including sectionalism, slavery in the territories, states' rights, the presidential election of 1860, and secession. Students will be able to identify notable abolitionists and their contributions to the mounting tensions between the North and South.</p> | | | | |
| Math | <p>Math- Students will begin completing operations (adding like fractions, subtracting like fractions, multiplying fractions by a whole number and decomposing fractions) with fractions. They will continue to put fractions into their simplest forms by finding the Greatest Common Factor.</p> | | | | |
| Science | <p>Science- Students will continue to learn about Organisms and their Environments starting with plants. They will classify plants into two groups: flowering and nonflowering and animals into two groups: vertebrate and invertebrate. They will also learn how to care for different plants and animals to prepare for the coming of our classroom pets</p> | | | | |
