

High Hills Elementary

4th GRADE WEEK AT A GLANCE

Week of January 16 - January 19

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this document to ask your child questions concerning the skills that are being addressed throughout the week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	Students begin reading <u>Phineas L. MacGuire Gets Slimed!</u> Students will be able to discuss how characters' words and actions reveal a story's theme through a book talk on a book read independently. Students will demonstrate the ability to answer text-dependent questions about characters and theme.				
Social Studies	Students will demonstrate an understanding of the beginnings of America as a nation and the establishment of the new government.				
Math	Students will be able to identify prime and composite numbers as well as factors and multiples. Students will also begin to multiply two digit numbers by a one digit number using a variety of strategies. They will also be able to solve real-world problems using multiplication.				
Science	Students will demonstrate an understanding of the properties of light, that white light is made up of different colors.
