

High Hills Elementary
4th GRADE WEEK AT A GLANCE
 Week of March 12-March 16

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	<p>Determine characteristics of crafted text structures and describe why an author uses this structure. Identify and explain how the author uses imagery, hyperbole, adages, or proverbs to shape meaning and tone. Explain how a series of chapters, scenes, or stanzas fit together to provide the overall structure of a particular story, drama, or poem.</p>				
Social Studies	<p>Explain the motivations and methods of migrants and immigrants, who moved West, including economic opportunities, the availability of rich land, and the country's belief in Manifest Destiny. Explain the purpose, location, and impact of key United States acquisitions in the first half of the nineteenth century, including the Louisiana Purchase, the Florida Purchase, the Oregon Treaty, the annexation of Texas, and the Mexican Cession.</p>				
Math	<p>The student will continue reviewing fraction vocabulary, building fractions, determining parts of a fraction, equivalent fractions and simplest form using greatest common factor. They will also begin ordering fractions using the least common multiple.</p>				
Science	<p>The student will demonstrate an understanding of the locations, movements, and patterns of stars and objects in the solar system. They will focus on moon phases and constellations.</p>
