

High Hills Elementary

4th GRADE WEEK AT A GLANCE

Week of September 11 - 15

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	Students will be doing guided reading assessments. They will also work on how to choose the right book, independent reading, identifying genres, using the classroom library, reviewing, and reading comprehension. Students will also work on sentence structure.				
Social Studies	Compare the everyday life, physical environment, and culture of the major Native American cultural groupings, including the Eastern Woodlands, the Plains, the Southwest, the Great Basin, and the Pacific Northwest.				
Math	Students will continue to read and write numbers up to 1,000,000. Students will also compare and order numbers and use rounding in order to estimate.				
Science	The student will demonstrate an understanding of the water cycle and weather and climate patterns.
