

High Hills Elementary
4th GRADE WEEK AT A GLANCE

Week of February 5-9

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	<p>Students begin reading Phineas L. MacGuire Gets Slimed! Students will be able to discuss how characters' words and actions reveal a story's theme through a book talk on a book read independently. Students will demonstrate the ability to answer text-dependent questions about characters and theme.</p>				
Social Studies	<p>Compare the roles and accomplishments of early leaders in the development of the new nation, including George Washington, John Adams, Thomas Jefferson, Alexander Hamilton, John Marshall, and James Madison.</p> <p>Compare the social and economic policies of the two political parties that were formed in America in the 1790s.</p>				
Math	<p>Students will divide a one digit number by a two, three or four digit number using strategies based on place value, properties of operations, and/or the relationship between multiplication and division.</p> <p>Students will solve multi-step problems using PEMDAS. They will represent the problem using unknown numbers and quantities.</p> <p>Students will create and/or identify a number or shape pattern that follows a given rule and predict what shape or number will come later in the sequence.</p>				
Science	<p>Student's will create and use models of the Solar System to find the location and order of planets as they orbit the sun. Students will also identify what the different planets are made of.</p>
