

High Hills Elementary
5th GRADE WEEK AT A GLANCE

Week of September 5-8, 2017

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	Students will continue with the First 20 days, Personal Narratives, and will start assessing guided reading assessments.				
Social Studies	Students will review the Civil War and then be introduced to Reconstruction.				
Math	Students will learn how to plot, graph, and analyze coordinates in quadrant 1 of the coordinate plane.				
Science	Students will learn the steps to the scientific method: ask a question, hypothesis, conduct an experiment, analyze data, draw a conclusion.				

Dates to Remember
