

High Hills Elementary
5th GRADE WEEK AT A GLANCE
 Week of September 18-22, 2017

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	Students will continue with Personal Narratives and Next Steps Guided Reading Assessments. We will also begin weekly spelling/vocabulary.				
Social Studies	Student will finish up with Reconstruction and test. Westward Expansion will begin afterwards.				
Math	Students will evaluate and write algebraic expressions using order of operations: parentheses, brackets, braces, exponents, multiplication, division, addition, and subtraction.				
Science	Students will continue reviewing the scientific method and will be introduced to ecosystems abiotic and biotic factors, terrestrial vs. aquatic, and components of an ecosystem. Please bring in clear, straight two-liter bottles (no Coke products, Pepsi style bottles work best)
