

High Hills Elementary
5th GRADE WEEK AT A GLANCE

Week of Dec 10-14

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	<p>This week the students will be able to explain how the author's choice of the point of view of a narrator or character impacts content, meaning, and how events are described. The students will also be able to explain how an author uses reasons and evidence to support particular points and cite evidence within the text to analyze events and story elements.</p>				
Social Studies	<p>5-3.5 Summarize the reasons for the United States control of new territories as a result of the Spanish American War and the building of the Panama Canal, including the need for raw materials and new markets and competition with other world powers.</p> <p>5-3.6 Summarize the factors that led to the involvement of the United States in World War I and the role of the United States in fighting the war</p>				
Math	<p>Students are working on dividing up to a 4 digit dividend by a 2 digit divisor.</p>				
Science	<p>5.E.3B. Earth's oceans and landforms can be affected by natural processes in various ways. Humans cannot eliminate natural hazards caused by these processes but can take steps to reduce their impacts. Human activities can affect the land and oceans in positive and negative ways.</p> <p>5.E.3B.2: Develop and use models to explain the effect of the movement of ocean water (including waves, currents, and tides) on the ocean shore zone (including beaches, barrier islands, estuaries, and inlets).</p>
