

# High Hills Elementary

## 5th GRADE WEEK AT A GLANCE

Week of December 4-8

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this document to ask your child questions concerning the skills that are being addressed throughout the week.

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<b>Language Arts</b>	Students will continue to work on researching and writing their informational writing using the writing process. In reading, students will be able to explain how the author's choice of point of view of a narrator or character impacts content, meaning and how events are described.				
<b>Social Studies</b>	Students will be able to explain how the United States became a world power.				
<b>Math</b>	Students will continue to review division and decimal operations: reading, writing, comparing and ordering, rounding, adding, and subtracting.				
<b>Science</b>	Students will be introduced to the ocean floor zone They must be able to identify the continental slope, continental shelf, continental rise, mid-ocean ridge, abyssal plain, and ocean trench
