

High Hills Elementary
5th GRADE WEEK AT A GLANCE

Week of February 5-9

The following is a list of skills that your child will be learning during the upcoming week. This will enable you to keep up with your child's studies as the year progresses. Use this list to ask your child questions concerning the skills that are being addressed throughout the week.

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	<p>Reading - Students will be able to explain how the author's choice of the point of view of a narrator or character impacts content, meaning, and how events are described.</p> <p>Writing – Students will be able to gather ideas from texts, multimedia, and personal experience to write narratives.</p>				
Social Studies	<p>Students will be able to summarize causes of the Great Depression, including overproduction and declining purchasing power, the bursting of the stock market bubble in 1929, and the resulting unemployment, failed economic institutions; and the effects of the dust bowl.</p>				
Math	<p>Students will continue exploring decimal operations adding, subtracting, multiplying, and dividing. Additionally, the students will learn how these operations relate to fractions.</p>				
Science	<p>Students will explore how we as humans impact the ocean through pollution. They will also explore human efforts of conservation such as reduce, reuse, and recycle.</p>
