Boys and Girls Welcome

Looking for fun, safe activities for your child? Scouting is the answer! We are still having meetings (virtually for now) and teaching kids life skills and building lifelong friendships. All activities are being done in a healthy, social distancing environment while still having fun. Scouting is for families. We offer Packs and Troops for boys and girls of all ages. Think your family might be interested, give us a call today! A complete list of all the Cub Scout Packs and Scout Troops is located on this flyer. Or you can call our Scout Office, Pee Dee Area Council (843)662-6306. Online registration and more information is available at peedeescouts.org.
